Remembrance Day and Dedication Services

Sunday 11 November 2018

Commencing at 10.40am

At the Cenotaph, Main Road, Toukley

To commemorate the centenary, marking one hundred years since the signing of the Armistice signifying the end of WW1, Toukley RSL Sub Branch will be conducting a Memorial Service and also a Dedication Service for two bronze statues. These statues will not only serve as a reminder to all those who have served our country and to those who paid the supreme sacrifice but also act as guardians for the current 408 veterans whose ashes are interred in the Memorial Gardens.
