The Price of Liberty is Eternal Vigilance

10 December 2020

Dear Member

You would have recently received a letter from the Sub Branch advising that membership fees are now due.

The cost of Sub Branch Membership is \$35.00 and, over many years, the Sub Branch has been able to subsidize fees by \$15.00, thereby costing members \$20.00 per year.

We have been advised by the State RSL on 16 October 2019 that it is not appropriate to allow the practice of subsidizing members' fees in future, as *"not every Sub-Branch has the financial capacity to offer this service to their members, and it was not considered fair that only some members are exempt from fees"*.

As you have already acted upon the original letter unfortunately you will need to make an additional payment of \$15.00.

On behalf of the Committee, I apologize for any inconvenience caused. This payment will ensure that we remain in compliance with NSW RSL.

Yours sincerely

Allan Love
President
Toukley RSL Sub Branch
